The monthly fixed rates are to be paid also in case of an absence of the child whether it is because of illness, accident or holidays (no reimbursement).

Additional care days are charged in addition.

The parents receive the invoice on the 25th of the month. The payment has to be executed in advance at the latest until the 25th of the previous month.

A deposit of CHF 500.- has to be paid before the beginning of the contract. The deposit is interest-free and will be refunded at the end of the contract or settled with outstanding receivables.

We calculate the monthly fixed rate based on 52 weeks per year. Therefore we multiply the weekly charge with a factor of 4.3333.

For babies with an age of less than 25 months we apply a factor of 1.11 due to higher legal requirements regarding personal. For children who attend kindergarten, the monthly fee is reduced by 10%.
